To whom it may concern,

The Jefferson County Florida Board of County Commissioners are requesting bids for two (2) Asphalt Striping Projects at two (2) separate locations within the Jefferson County limits.

The first location is near the Southeast Corner of the Jefferson County Courthouse, 1 Courthouse Circle, Monticello, Florida.

There are approximately sixty-three (63) parking spaces inside the Public Parking Lot located on the westside of South Cherry Street. Along with normal parking, there are an additional four (4) Electric Vehicle Spaces, and currently only one (1) Handicapped Parking Space.

We need to add at least one (1) additional Handicapped Parking space to comply with Florida Statutes, there is currently only one (1) Handicapped Parking space in the northwest corner of the

public parking lot. The new/second Handicapped Parking space will be located east of the current Handicapped Parking Space, pictures below on the right. Adding this Handicapped Parking space will require adjusting the location and spacing of the additional parking spaces in the part of the lot.

There are approximately twenty-five (25) Double Parking Spaces located in the center of the public parking lot with a couple trees located in the area as well. The total width of this area available for spaces is approximately 30 feet, utilizing this area with “bumper-to-bumper” parking will most likely require this area be designated for compact cars.

There are four (4) Electric Vehicle Parking Spaces located on the eastside of the public parking lot with lettering and images indicating their designation. **These EV Parking spaces should NOT be part of this quote as they will be updated and moved in the near future.**

The second location is the Wacissa Springs Boat Ramp, 479 Wacissa Spring Road, Wacissa, Florida 32361.

There are a total of forty-four (44) Parking Spaces for Passenger Vehicles, two (2) Handicapped Parking Spaces, and eight (8) Truck-and-trailer Parking Spaces.

The two (2) Handicapped Parking Spaces are located at the southwest corner of the parking lot.

There are eight (8) Truck-and-trailer Parking Spaced located in the center of the parking lot with lettering designating “Boat Trailer Parking Only”. The lettering is on BOTH ends of each parking space.

Jefferson County Board of County Commissioners request you submit your quote on a company letterhead. Submit your quote via email to: qatkinson@jeffersoncountyfl.gov

Should you have any questions, please contact the Building and Planning Office at: 850-342-0223

Thank you,

Quinn Atkinson
